

Rubric for Scoring Writing About a Character's Change

4

The written response is fully developed and indicates an excellent understanding of the character and the change(s) that occurred. Accurate, relevant information selected from the text supports all opinions and interpretations.

3

The response is adequately developed and indicates a fairly good understanding of the character and the change. Some opinions and interpretations are not supported with accurate, relevant evidence from the text.

2

The response is partially developed and indicates some understanding of the character and the change. Many opinions are not supported with accurate or relevant evidence from the text.

1

The response is minimally developed, or inaccurate and irrelevant details and ideas indicate a misunderstanding of the character and the change.
