

Welcome to Zūm

We're thrilled to be your district's partner, providing you and your children with safe, reliable student transportation this school year. We were founded by a mom, so safety is our number one priority.

The free Zum app for parents allows you to:

- View your child's upcoming rides
- Track your child's rides in real time and receive alerts when the bus is arriving
- Get notified when your child gets on and off the bus
- Cancel your child's same-day rides
- Provide feedback directly to Zūm
- And so much more!
